Welcome back to indoor Rural Touring. We are so pleased to be working with you. If you are a first-time promoter or feeling nervous about re-engaging with audiences, rest assured Take Art will offer advice and support along the way.

For those promoters who have been part of our **Totally Local Summer Outdoor** programme, many thanks for trying this venture out. We hope to repeat it again next year, subject to funding.

We hope you have fun choosing shows and don't hesitate to call if you need any clarification or help. Please make sure you read the notes at the front of the menu brochure to understand any changes for this year.

As always, funding is a bit of a complicated scenario in each of the districts. To clarify the picture for 2021/22:-

Take Art can offer **15-20 Full Price** shows to promoters in **any district** of Somerset. In South Somerset **22 Reduced Price** shows are available. In SW&T **16 Reduced Price** shows are available (8 in the Deane and 8 in West Somerset) and for this first time in a while in Mendip **10 Reduced Price** shows are available. We are in discussion with funders to bring villages in Sedgemoor back into the fold but this is unlikely this year.

We will contact you in Sept about your choices and discuss what is possible and how we can work together.
