Welcome back to Rural Touring. We are excited to get going again and to work with you to put on high quality performances in your communities. Take Art will offer advice and support along the way, don't hesitate to get in touch.

Our season will run from July 2023 to April 2024, with the first few months made up of summer outdoor shows, performed by the first two companies included in the menu.

We hope you have fun choosing shows and don't hesitate to call if you need any clarification or help. Please make sure you read the notes at the front of the menu brochure to understand any changes for this year.

We will contact you in May and June about your choices and discuss what is possible to get the performers you want when you want them.
